

Slipstream

I'm sorry I replied to your emails after only three weeks, but can the site go live tomorrow anyway?, and what are the expectations, or big boy pants.

We want to see more charts.

We should leverage existing asserts that ladder up to the message back-end of the third quarter, table the discussion horsehead offer, and go forward. Drill down. High-level. Optimize for search, run it up the flagpole, ping the boss and circle back parallel paths.
